

CAMPUS PROGRAMME

AMBASSADOR

CONQUEST

Organised By
Center for Entrepreneurial Leadership
BITS Pilani

CONQUEST

Conquest is an International Startup Conclave organized by the Center for Entrepreneurial Leadership, BITS Pilani. Conquest provides an exemplary platform for young, fresh startups to come to the fore and grow. This year, we plan to hold a six-week long summer mentorship program with weekly mentoring sessions for our Top 10 startups in Bangalore followed by a Grand Finale at the end of July. We provide free accommodation, workspace and intensive mentorship to the startups for this period thus building India's first student run startup launchpad.

CAP

We at Conquest, espouse the value of teamwork and firmly believe that strong partnerships are the way forward for creating meaningful impact in the world around us. Thus, we are initiating our Campus Ambassadorship Program, wherein we partner with students from colleges across the country who will plan and execute publicity and marketing campaigns as Official Marketing Representative for Conquest.

WHY DO CAP?
